

Input

Reconstruction 1

$u_1^{t=1}, \dots, u_1^{t=T}$

...

Reconstruction N

$u_N^{t=1}, \dots, u_N^{t=T}$

...

PID Computation

Let $\mathcal{U}^t := \{u_1^t, \dots, u_N^t\}$,

$$\begin{aligned} & \left\{ \text{PID} \left(u_i^1 \mid \mathcal{U}^1 \right) \right\}_{i=1}^N \\ & \vdots \\ & \left\{ \text{PID} \left(u_i^T \mid \mathcal{U}^T \right) \right\}_{i=1}^N \end{aligned}$$
